

## SMPTE Seminar, LA, USA, October 5,2002

### GDC Technology Ltd sponsored the SMPTE seminar on "Star Wars: Episode II Attack of the Clones - A case study in digital cinema"

LA, USA---October 5,2002, GDC Tech is pleased to be the Silver Sponsor of the Society of Motion Picture and Television Engineers (SMPTE) Seminar, "Star Wars: Episode II Attack of the Clones - A Case Study in Digital Cinema", being held at ETC Digital Cinema Laboratory, Hollywood, CA on October 5, 2002. The net proceeds of this event will go to support The Lou Wolfe Scholarship fund, which seeks to recognize and fund student scholarships in technology, related to the film and television industry. This SMPTE seminar provides an in-depth examination of the making and digital distribution of "Star Wars: Episode II Attack of the Clones" presented by key players involved in production, post-production, visual effects, sound and digital distribution.

The DSR Digital Film Encoder and Server based on MPEG2 4:2:2 were successfully installed at ETC Digital Cinema Laboratory. A short documentary of "Star Wars: Episode II Attack of the Clones" was playback round the clock on a DLP Rear Projection High Definition TV set.
